ST. PAUL
CATHOLIC SCHOOL

Message from Mrs. Yankovich

Dear Families,

As we enter the 4th quarter, it's hard to believe how quickly this school year has gone. This final stretch is always one of the busiest times of the year, filled with field trips, end-of-year projects, celebrations, and special events that highlight all the growth our students have made.

While the pace is fast, it is also one of the most exciting seasons in our school community. We see our students' hard work come to life, we celebrate milestones, and we continue to build lasting memories together.

At the same time, there is a great sense of anticipation and joy as both our school and parish continue to grow. With our new church taking shape and our school community expanding, we are reminded of how blessed we are to be part of something so special. This growth is a reflection of the strength of our faith, our families, and our shared commitment to providing a Christ-centered education for our students.

Thank you for your continued support, partnership, and trust. Let's finish the year strong, together.

Respectfully,
Jenny Yankovich

Tuition Rates 2026/2027

Tuition rates will be available after Easter. As we prepare for the upcoming school year, we kindly ask all families to log in to their FACTS account and ensure that tuition payments for the current school year are up to date.

Please note that enrollment for next year will remain pending until this year's tuition balance is paid in full.

If you have questions about your account or need to discuss a balance, please contact the school office. We are happy to work with you and appreciate your prompt attention to this matter.

Thank you for your flexibility, and we can't wait to see you there for a wonderful evening of music and celebration!

Tardies

We've noticed a significant increase in tardies lately, and it's impacting classroom learning and student success. Arriving on time ensures students don't miss important instructions and helps create a focused, respectful learning environment.

Parents, please help by ensuring your child leaves home with enough time to get to school promptly. Students, let's take responsibility and make punctuality a priority! Consistent tardies may lead to consequences, so let's work together to turn this trend around.

Thank you for your support in keeping our school on track!
